Tulsa, OK 74110-4937

Att: Mr. Tony Russell

RE: Arrow Engines

Dear Mr. Russell:

Thomas Exploration Company has many gas engines in operation on our leases. I must say Arrow Engines out perform and out last all other engines. As gas engines go, one could say they are the Cadillac of engines.

Looking forward to Arrow performance in the future.

Sincerely,

E. L. Thomas  
President

ELT:mmc
